AGENDA ITEM: 3

- FM: Chief Chris Hodge Chief of Police
- DATE: February 15, 2024

PURPOSE: Every four years, GEMA requires Barrow County to get statewide mutual aid agreements signed by the county and each municipality. It is time to renew our 2020 agreements. These agreements basically allow the Barrow County Emergency Management Agency to request outside resources in times of disaster.

BACKGROUND: Pre-existing agreements for mutual aid assistance in emergencies help to ensure the timely provision of mutual aid assistance and reimbursement of costs incurred by those parties who render such assistance. This agreement also provides the framework to support mutual assistance in managing an emergency or disaster occurring within any political subdivision that is a Participating Party, whether arising from natural disaster, technological hazard, human caused disaster, civil emergency, community disorders, insurgency, enemy attack, acts of terrorism, or other significant events or homeland security activities.

RECOMMENDATION: To approve the Statewide Mutual Aid Agreement presented.

FUNDING: N/A

Statewide Mutual Aid Agreement (SWMAA) FAQs

Why do I need to do this?

Pre-existing agreements for mutual aid assistance in emergencies help to ensure the timely provision of mutual aid assistance and reimbursement of costs incurred by those parties who render such assistance. This agreement also provides the framework to support mutual assistance in managing an emergency or disaster occurring within any political subdivision that is a Participating Party, whether arising from natural disaster, technological hazard, human caused disaster, civil emergency, community disorders, insurgency, enemy attack, acts of terrorism, or other significant events or homeland security activities.

What other jurisdictions are involved?

Participating Party means a county or municipality of the State of Georgia that has become party to this Agreement by its approval and execution of this agreement. Your GEMA/HS EM Field Coordinator can assist you with this.

What kind of assistance are we talking about?

"Assistance" includes personnel, equipment, facilities, services, supplies and other resources furnished to a Requesting Party pursuant to this Agreement during an emergency or disaster.

Who will our resources be working for?

The Assisting Party's mutual aid resources will continue under the command and control of their own supervisors, but the organizational units will be under the <u>operational</u> control of the emergency services authorities of the Requesting Party unless the Assisting Party approves an alternative.

What if my jurisdiction doesn't want to send resources?

A jurisdiction may withhold resources to the extent necessary to meet the current or anticipated needs of the jurisdiction's own political subdivision.

What about liability and reimbursement?

Those issues are covered in Article VI Liability and Immunity, and Article VIII Reimbursement in the Agreement.

What if my jurisdiction wants to withdraw from this agreement?

Any Participating Party may withdraw from this Agreement by mailing notice of withdrawal, approved by the governing authority of such political subdivision, but no such withdrawal shall take effect until 30 days after the governing authority of the withdrawing political subdivision has given notice in writing of such withdrawal to the governing authorities of all other Participating Parties. Such action shall not relieve the withdrawing political subdivision from obligations assumed hereunder prior to the effective date of withdrawal.

STATEWIDE MUTUAL AID AND ASSISTANCE AGREEMENT

County/Municipality:

The State of Georgia is vulnerable to a wide range of natural and man-made disasters and emergencies. The Georgia Emergency Management Act, as amended (The Act) gives the local governments of the State the authority to make agreements for mutual aid assistance in emergencies. Pre-existing agreements for mutual aid assistance in emergencies help to ensure the timely provision of mutual aid assistance and the reimbursement of costs incurred by those parties who render such assistance.

This mutual aid agreement is entered pursuant to authorities contained in Articles I through III, Chapter 3, Title 38, Official Code of Georgia Annotated.

ARTICLE I STATEMENT OF AGREEMENT, DEFINITIONS AND AUTHORITIES

This Agreement is made and entered into between the participating political subdivisions, which approve and execute this Agreement, hereinafter called "Participating Parties" and the Georgia Emergency Management and Homeland Security Agency (GEMA/HS). For purposes of this Agreement, the following terms and expressions shall apply:

(1) "Agreement" means this agreement, generally referred to as the "Statewide Mutual Aid Agreement" (SWMAA).

(2) "Assistance" includes personnel, equipment, facilities, services, supplies and other resources furnished to a Requesting Party pursuant to this Agreement during an emergency or disaster.

(3) "Assisting Party" means a party that provides assistance pursuant to this Agreement during an emergency or disaster.

(4) "Authorized Representative" means a Participating Party's elected or appointed official or employee who has been authorized in writing by that party to request, to offer, or otherwise to provide mutual aid assistance.

Any term or expression not defined in this Agreement shall have the meaning specified in the Georgia Emergency Management Act, as amended (the Act) and rules promulgated thereunder, unless used in a context that clearly suggests a different meaning.

ARTICLE II GENERAL PURPOSE

The purpose of this Agreement is to:

- 1. Provide the framework to support mutual assistance in managing an emergency or disaster occurring within any political subdivision that is a Participating Party, whether arising from natural disaster, technological hazard, human caused disaster, civil emergency, community disorders, insurgency, enemy attack, acts of terrorism, other significant events or homeland security activity; and
- 2. Identify those persons who are authorized to act on behalf of the Participating Party signing this Agreement as their Authorized Representative(s) concerning the provision of mutual aid resources and requests for mutual aid resources related to any mutual aid assistance sought from another Participating Party, or from or through the State of Georgia. Appendix A of this Agreement shall contain the name(s) of the Participating Party's Authorized Representative for purposes of this Agreement. Appendix A can be amended by the authorizing Participating Party as needed with no effect on the entire Agreement. All such amendments to Appendix A shall be done in writing and the Participating Party shall notify GEMA/HS and all other Participating Parties of such amendment within thirty (30) days.

ARTICLE III ACKNOWLEDGEMENT OF PRINCIPLES

The prompt, full and effective utilization of resources of the Participating Parties, including any resources on hand or available from the State or Federal Government or any other source, that are essential to the safety, care and welfare of the people shall be the underlying principle on which all articles of this Agreement shall be understood.

In the event of a conflict between any provision of this Agreement and any existing intrastate mutual aid agreement affecting a Participating Party, the provisions of this Agreement shall be controlling.

On behalf of the governing authority of each political subdivision of this State participating in the Agreement, the director of emergency management of such political subdivision will be responsible for formulation of the appropriate mutual aid plans and procedures necessary to implement this Agreement.

ARTICLE IV PARTICIPATING PARTY RESPONSIBILITIES

(a) It shall be the responsibility of each Participating Party to formulate procedures and programs for intergovernmental cooperation in the performance of the responsibilities listed in this Article. In formulating such plans, and in carrying them out, each Participating Party, insofar as practical, shall:

(1) Protect and assure uninterrupted delivery of services, medicines, water, food, energy and fuel, search and rescue, and critical lifeline equipment, services, and resources, both human and material; and

(2) Inventory and set procedures for the loan and delivery of human and material resources, together with procedures for reimbursement.

(b) Whenever a Participating Party requires mutual aid assistance from another Participating Party and/or the State of Georgia, the Requesting Party may request assistance by:

(1) Contacting the Participating Party who is the owner/operator/employer of the supplies, equipment and/or personnel being sought for mutual aid assistance (the Assisting Party); or

(2) Contacting GEMA/HS to serve as the facilitator of such request for those resources being sought for mutual aid that are owned/operated/employed by Participating Parties (where such Participating Parties have submitted a record of those resources to GEMA/HS for such use); and/or, when such resources being sought for mutual aid are owned/operated/employed directly by the State of Georgia.

The provisions of this Agreement shall only apply to requests for assistance made by an Authorized Representative. Requests may be verbal or in writing. If verbal, the request must be confirmed in writing within 30 days of the verbal request. Requests shall provide the following information:

The Assisting Party will (a) maintain daily personnel time records, material records and a log of equipment hours (or miles, if appropriate) and (b) report work progress to the Requesting Party at mutually agreed upon intervals.

ARTICLE V LIMITATIONS

Any Participating Party requested to render mutual aid shall take such action as is necessary to provide and make available the resources covered by this Agreement in accordance with the terms hereof; provided that it is understood that the Participating Party who is asked to render aid may withhold resources to the extent necessary to meet the current or anticipated needs of the Participating Party's own political subdivision to remain in compliance with such Participating Party's policy, rule or law.

The Assisting Party's mutual aid resources will continue under the command and control of their own

supervisors, but the organizational units will be under the operational control of the emergency services authorities of the Requesting Party unless the Assisting Party approves an alternative.

In the event the Governor should declare a State of Emergency, any and all provisions of this Agreement which may conflict with the declared State of Emergency shall be superseded by the terms and conditions contained within the State of Emergency.

ARTICLE VI LIABILITY AND IMMUNITY

(a) In accordance with O.C.G.A. § 38-3-35(a), no political subdivision of the state, nor the agents or representatives of the state or any political subdivision thereof, shall be liable for personal injury or property damage sustained by any person appointed or acting as a volunteer emergency management worker or member of any agency engaged in emergency management activity. The foregoing shall not affect the right of any person to receive benefits or compensation to which he might otherwise be entitled under Chapter 9 of Title 34, Code Section 38-3-30, any pension law, or any act of Congress.

(c) It is the express intent of the parties that the immunities specified in accordance with O.C.G.A. § 38-3-35 shall apply in addition to any other immunity provided by statute or case law.

ARTICLE VII RIGHTS AND PRIVILEGES

In accordance with O.C.G.A. § 38-3-30(a), whenever the employees of any Assisting Party or political subdivision are rendering outside aid pursuant to this agreement and the authority contained in Code Section 38-3-27, the employees shall have the same powers, duties, rights, privileges and immunities as if they were performing their duties in the political subdivisions in which they are normally employed.

ARTICLE VIII REIMBURSEMENT

In accordance with O.C.G.A. § 38-3-30(b), The Requesting Party shall be liable for any loss of or damage to equipment used or placed within the jurisdiction of the Requesting Party and shall pay any expense incurred in the operation and maintenance thereof. No claim for the loss, damage or expense shall be allowed unless, within 60 days after the same is sustained or incurred, an itemized notice of

the claim under oath is served by mail or otherwise upon the designated fiscal officer of the Requesting Party. Appendix B of this Agreement shall contain the name(s) of the Participating Party's designated fiscal officer for purposes of this Agreement. Appendix B can be amended by the authorizing Participating Party as needed with no effect on the entire Agreement. All such amendments to Appendix B shall be done in writing and the Participating Party shall notify GEMA/HS and all other Participating Parties of such amendment within thirty (30) days.

The Requesting Party shall also pay and reimburse the Assisting Party for the compensation paid to employees furnished by the Assisting Party during the time of the rendition of the aid, as well as the actual travel and per diem expenses of such employees while they are rendering the aid. The reimbursement shall include any amounts paid or due for compensation due to personal injury or death while the employees are engaged in rendering the aid. The term "employee," as used herein, shall mean, and this provision shall apply with equal effect to, paid, volunteer and auxiliary employees and emergency management workers.

Expenses to be reimbursed by the Requesting Party shall include the following:

(1) Labor costs, which shall include all usual wages, salaries, compensation for hours worked, mobilization and demobilization, the Assisting Party's portion of payroll taxes (as employer), insurance, accrued paid leave and other fringe benefits, but not those amounts paid or due as a benefit to the Assisting Parties personnel under the terms of the Georgia Workers Compensation Act; and

(2) Equipment costs, which shall include the fair rental value, the cost of fuel and other consumable supplies, service and repairs. ARTICLE IX IMPLEMENTATION

This Agreement shall become operative immediately upon its approval and execution by GEMA/HS and any two political subdivisions of this State; thereafter, this Agreement shall become effective as to any other political subdivision of this State upon its approval and execution by such political subdivision.

Any Participating Party may withdraw from this Agreement by mailing notice of withdrawal, approved by the governing authority of such political subdivision, but no such withdrawal shall take effect until 30 days after the governing authority of the withdrawing political subdivision has given notice in writing of such withdrawal to the governing authorities of all other Participating Parties. Such action shall not relieve the withdrawing political subdivision from obligations assumed hereunder prior to the effective date of withdrawal.

Copies of this Agreement shall, at the time of their approval, be deposited with each of the respective Participating Parties and with GEMA/HS.

ARTICLE X TERM OF AGREEMENT

This Agreement, once executed, is valid until March 1, 2028. Agreement of the Participating Parties to extend the term of this agreement at any time during the last year of its original term or the last year of any subsequent four-year term shall extend the term of this agreement for four years. PURPOSE:

Auburn and Winder divide expenses associated with the raw water storage pond with Auburn paying 1/3 and Winder paying 2/3. Griffin Brothers is under contract to "dewater" the storage pond so that pipes, pumps and related infrastructure can be installed before the pond is refilled.

BACKGROUND:

The arrangement made about two years ago was that Winder would contract with Griffin Brothers to keep the RWSP dewatered or drained while Auburn would build and maintain the entrance and access roads. The approximate costs of these items would match the 1/3-2/3 ratio. The dewatering of the RWSP has gone on longer than anticipated, and Winder has paid more than 2/3 of the total cost to date. The dewatering has been going on for more than 38 months. It therefore seems reasonable that going forward Auburn should start to pay its 1/3 share of the dewatering cost. The total cost is \$18,993 per month. Auburn's share would be \$6,331 per month. This is a Water Department operating expense and would not be paid out of GEFA funds.

RECOMMENDATION:

Authorize payment of \$6,331 for Request #15 and monthly payments the same amount representing Auburn's 1/3 share of the dewatering costs until the earlier of December 24, 2024 or completion of dewatering.
