This guide is an overview of Georgia’s absentee voting process. Additional information is available on the Secretary of State’s web site at <http://www.sos.ga.gov>. Please use this guide along with the Georgia Election Code and the Georgia State Election Board Rules. Citations in this guide refer to the United States Code (U.S.C.), Georgia Election Code (O.C.G.A.) or Georgia State Election Board Rules. **In all matters, the law and rule are the final authority.**

## 1.0 WHO MAY VOTE BY ABSENTEE BALLOT

Any registered voter in Georgia may cast an absentee ballot instead of voting in-person at his or her polling place on Election Day.<sup>1</sup>

Additionally, the **Uniformed and Overseas Citizens Absentee Voting Act (UOCAVA)** is a federal law that concerns elections and voting rights for United States citizens residing overseas. The Act requires that all states and incorporated territories allow certain U.S. citizens to register to vote and vote by absentee ballot in federal elections.<sup>2</sup> The following citizens qualify as UOCAVA voters (Federal Ballot only):

- Members of the seven Uniformed Services and their eligible family members
- Members of the U.S. Merchant Marine and their eligible family members
- U.S. citizens employed by the federal government residing outside the U.S.
- All other private U.S. citizens residing outside the U.S.

## 2.0 HOW TO APPLY FOR AN ABSENTEE BALLOT

### 2.1 How may I vote by absentee ballot?

There are several ways to vote by absentee ballot. You may apply for a ballot by mail or in-person at your county’s elections office. For some elections, you may vote in person at a satellite voting location.<sup>3</sup> Contact the registrar in your county for more information regarding these locations. Contact information can be found at the end of this guide.

If you are hospitalized and request an absentee ballot, the ballot may be brought to you by the registrar, deputy registrar, or clerk on Election Day during the five days before the election.<sup>4</sup> The timing is at the discretion of the registrar or absentee ballot clerk.

### 2.2 How do I apply for and receive an absentee ballot by mail?

- Download absentee applications from the Secretary of State’s website at [www.sos.state.ga.gov/elections](http://www.sos.state.ga.gov/elections).
- You can also request an absentee application by contacting the registrar or absentee ballot clerk in the county where you are registered to vote.
- Alternatively, you can submit a written request for an absentee ballot by providing the following information:

<sup>1</sup> O.C.G.A §§ 21-2-380 and 21-2-381

<sup>2</sup> 42 U.S.C. §§ 1973ff et seq

<sup>3</sup> O.C.G.A. § 21-2-382

<sup>4</sup> O.C.G.A. § 21-2-384 (a)(4)

- your name,
- date of birth,
- residential address,
- party ballot,
- type of election (presidential preference primary, general primary, primary runoff, municipal, municipal runoff, special, general, general runoff),
- date of election,
- reason for requesting a ballot (if applicable),
- a signature, and
- the name and relationship of the person requesting the ballot on behalf of another voter (if applicable).

The written request must be submitted to the registrar or absentee ballot clerk in the county where you are registered to vote.

- You are not required to have a specific reason when applying for an absentee ballot by mail.
- A separate application is required for each election.
- **However**, an exception is that an elector who is at least seventy-five years of age or physically disabled may submit a request **on one application for a primary that the election official mail to that elector all ballots for any run-off primary, election, and run-off election resulting there from**. In addition, elderly and physically disabled voters must submit separate absentee applications for a presidential preference primary and all special elections.
- The absentee ballot application may be faxed or mailed to the registrar or absentee ballot clerk in order to receive the ballot by mail.<sup>5</sup>
- Voters who reside overseas can electronically submit their absentee ballot request.<sup>6</sup>

### 2.3 When can I request an absentee ballot?

Absentee ballots may be requested 180 days before Election Day. The last day to be issued an absentee ballot is the end of the business day on the Friday before Election Day, or by the close of the advance voting poll on the Friday before Election Day, whichever is later.<sup>7</sup> Make your request early to allow enough time for the ballot to be mailed to you.

Absentee ballots are available at least 45 days before Election Day at the registrar's office in county elections and at least 21 days prior to a municipal election. In special elections,

<sup>6</sup> O.C.G.A. § 21-2-380

<sup>7</sup> O.C.G.A. § 21-2-384(a)(2)

absentee ballots are made available as soon as possible; check with the registrar's office for the specific date.<sup>8</sup>

## **2.4 What information must be included on the absentee application?**

Your application must include:

- your name,
- date of birth,
- residential address,
- party ballot,
- type of election (presidential preference primary, general primary, primary runoff, municipal, municipal runoff, special, general, general runoff),
- date of election,
- reason for requesting a ballot (if applicable), and
- the name and relationship of the person requesting the ballot on behalf of another voter (if applicable).

In addition, you must sign and date your application. Except in the case of a physically disabled voter residing in the county or municipality, no absentee ballot shall be mailed to an address other than the permanent mailing address of the elector as recorded on the elector's voter registration record or a temporary out-of-county or out-of-municipality address.<sup>9</sup>

If you omit any of the required information from your absentee ballot application, the registrar will reject the application and a notice will be sent.

## **2.5 Can a third-party request an absentee ballot on my behalf?**

A third-party may request an absentee ballot on your behalf in the case of an elector residing temporarily out of the county or municipality or a physically disabled elector residing within the county or municipality. The application for the elector's absentee ballot may, upon satisfactory proof of relationship, be made by the elector's mother, father, grandparent, aunt, uncle, sister, brother, spouse, son, daughter, niece, nephew, grandchild, son-in-law, daughter-in-law, mother-in-law, father-in-law, brother-in-law, or sister-in-law of the age of 18 or over.<sup>10</sup> Relatives applying for absentee ballots for electors must also sign an oath stating that facts in the application are true.<sup>11</sup>

The absentee ballot will be mailed directly to the elector at the permanent mailing address on record at the registrar's office or to a temporary out-of-county or out-of-municipality address. A voter with a physical disability may have the ballot mailed to a different address within the county.

The application must be in writing and must contain the name and relationship of the person requesting the ballot, if other than the elector.

## **2.6 Who can assist an elector in completing an absentee ballot application?**

There are no restrictions on who may assist an elector in completing an absentee ballot application when the elector is personally submitting the application.

There are restrictions on who can apply for an absentee ballot on behalf of an elector and what must be contained within the application. See **Section 2.5 of this Guide**.

If the elector is unable to fill out or sign his or her own application because of illiteracy or physical disability, the elector shall make his or her mark, if able, and the person filling in the rest of the application shall sign his or her own name below it as a witness.<sup>12</sup>

## **3.0 HOW TO VOTE BY ABSENTEE BALLOT**

Once you have obtained your ballot in the mail, you can vote your ballot and return it by mail or in-person to the county registrar's office.

### **3.1 When I receive the ballot in the mail, how do I vote my ballot?**

Follow the instructions that your county elections official provides with your ballot. Failure to complete your ballot correctly could cause your ballot not to be counted. If you have any questions, please contact your county registrar. Contact information for county registrar's can be found on last two pages of this guide. You will receive all the forms necessary for marking and return of the ballot.<sup>13</sup>

### **3.2 What is required when completing the absentee ballot?**

All blanks on the oath of the elector and the back of the yellow absentee ballot oath envelope must be fully completed, signed, and returned to the registrar's office.<sup>14</sup>

### **3.3 When must I return the voted ballot?**

In order to be counted, a regular ballot must be received by mail no later than the close of polls on Election Day.<sup>15</sup>

You can also personally bring your voted ballot to the registrar or absentee ballot clerk on Election Day before the polls close.<sup>16</sup> A voted ballot may also be personally delivered by someone legally authorized to be in possession of the ballot to the board of registrars or absentee ballot clerk at the elections office on Election Day. Ballots received after the polls close cannot be counted.<sup>17</sup>

<sup>16</sup> O.C.G.A. § 21-2-385(a)

<sup>17</sup> O.C.G.A. § 21-2-386

When returning your ballot by mail, don't forget to put the required postage on the envelope, unless you are a UOCAVA voter. The post office will not deliver it without the required postage.

In order to be counted, a UOCAVA ballot must be postmarked by the date of the election and received by the registrar or absentee ballot clerk the Friday immediately following Election Day.<sup>18</sup>

### **3.4 What if I want to vote by absentee ballot in-person?**

You may vote absentee at the registrar's office as soon as absentee ballots are available.<sup>19</sup> Absentee ballots are available at least 45 days before Election Day at the registrar's office and at least 21 days prior to a municipal election. In special elections, absentee ballots are made available as soon as possible; check with the registrar's office for the specific date.<sup>20</sup>

You will need to provide proper photo identification if you vote in person at the registrar's office. If you do not have photo identification when you go to vote, you will be allowed to vote a provisional ballot. You will be required to provide proper photo identification to the registrar within two days after Election Day for your ballot to count. For more information on Georgia's photo identification requirements, please visit [www.GAPHOTOID.com](http://www.GAPHOTOID.com) or call the Secretary of State's Election Division at (404) 656-2871.

**Some** counties offer satellite offices during **advance voting** period to allow voters to cast in-person absentee ballots prior to Election Day. Please contact your local county elections office to inquire about locations and hours. Contact information can be found in Appendix A of this guide.

### **3.5 How are absentee ballots processed?**

Once the information on the oath envelope is verified, the registrar will compare your absentee ballot oath envelope to your voter registration card to verify your signature, as well as compare your signature on the voted ballot with your signature on the absentee application.<sup>21</sup> On Election Day, the ballot and the envelope are separated. This process, and the processing and counting of absentee ballots shall be open to the public.<sup>22</sup>

If the absentee ballot is challenged, and that challenge is upheld, the ballot remains in the envelope, is not counted, and the reason is indicated on the envelope.<sup>23</sup>

## **4.0 ADDITIONAL QUESTIONS ABOUT ABSENTEE VOTING**

### **4.1 If I lose the absentee ballot that was sent to me, can I get another one?**

Yes; however, you must sign an affidavit affirming that you lost, destroyed, or did not receive the first absentee ballot. In this instance, another ballot will be issued. A new request is not required.<sup>24</sup>

### **4.2 Can I give my voted absentee ballot to someone else to return for me?**

Not unless you are a physically disabled voter. A physically disabled voter can designate a relative (spouse, child, parent, grandparent, grandchild, brother, sister, aunt, uncle, niece, nephew, and in-laws) or an individual residing in the same household to return his or her voted ballot in person or by mail to the registrar or absentee ballot clerk.<sup>25</sup>

### **4.3 Can I vote by absentee ballot if I am confined to the hospital?**

A voter who is confined to a hospital on a primary or election day can vote an absentee ballot that is delivered by a registrar or deputy registrar.<sup>26</sup> The ballot must be voted, sealed properly, and returned to the deliverer. If the voter registered to vote for the first time in Georgia by mail and has not previously provided proper identification, the voter will be allowed to vote by provisional ballot if he or she fails to provide proper identification. Once the identification and registration of the voter have been verified, the vote will be officially recorded.<sup>27</sup> Please contact your county elections official to arrange absentee ballot delivery, if you are in the hospital. Contact information can be found in Appendix A of this guide.

### **4.4 If I am a resident of a nursing home or assisted living facility, can I receive assistance with my absentee ballot?**

Only a physically disabled or illiterate voter who is a resident of a nursing home or assisted living facility can receive assistance in preparing his or her ballot from one of the following: any elector who is qualified to vote in the same county or municipality as the disabled or illiterate voter; an attendant care provider or a person providing attendant care; or the mother, father, grandparent, aunt, uncle, brother, sister, spouse, son, daughter, niece, nephew, grandchild, son-in-law, daughter-in-law, mother-in-law, father-in-law, brother-in-law, or sister-in-law of the disabled or illiterate voter.<sup>28</sup>

The person rendering assistance to the disabled or illiterate voter in preparing the ballot must sign the oath printed on the same envelope as the oath to be signed by the voter. In addition, no person may assist more than ten such voters in any election in which there is no federal candidate on the ballot. If a federal candidate appears on a ballot, a person can assist an unlimited number of voters in that election.

<sup>25</sup> O.C.G.A. § 21-2-385

<sup>27</sup> O.C.G.A. § 21-2-385(a)

<sup>28</sup> O.C.G.A. § 21-2-385 (b)

If a voter is unable to sign his or her name at the time of registration or, if having been able to sign his or her name when registered, he or she subsequently shall have become, through physical disability, unable to sign his or her name when he or she applies to vote, he or she shall establish his or her identity to the satisfaction of the poll officers; and in such case he or she shall not be required to sign a voter's certificate, but a certificate shall be prepared for him or her by a poll officer.<sup>29</sup>

**4.5 Do I have to apply for an absentee ballot for each election, if I have a physical disability or age 75 or over?**

If a physically disabled voter or voter 75 years or older makes a written request to receive an absentee ballot for the primary, primary runoff, election, and election runoff he or she will receive ballots without having to ask again by specifically stating on the written request or absentee application the following phrase: **ALL BALLOTS**.<sup>30</sup>

However, physically disabled voters must submit separate absentee applications for a presidential preference primary and all special elections.

**4.6 Are there any special considerations for military/overseas voters?**

If you are in the military or temporarily living overseas, you may:

- Request an absentee ballot more than 180 days prior to an election.<sup>31</sup>
- Electronically submit your absentee ballot request.<sup>32</sup>
- If you qualify for an absentee ballot for a primary election, it is also valid for all elections in which a federal candidate appears on the ballot as well as for any runoffs resulting there from including presidential preference primaries for two general elections by specifically stating on the written request or absentee application the following phrase: **ALL BALLOTS**.<sup>33</sup>

To receive more information on UOCAVA voting, please visit the following websites or contact the Secretary of State's Elections Division at (404) 656-2871:

It depends.<sup>34</sup>

- If the ballot has been voted and returned to and received by the board of registrars, then the absentee ballot shall be deemed to have been voted. No other ballot shall be issued.<sup>35</sup>
- If you still have the absentee ballot and give it to the poll manager of the precinct in which your name appears on the electors list, then the elector may vote a regular ballot.<sup>36</sup>
- If you have not received an absentee ballot, or if you have returned the absentee ballot, but the registrars have not received the ballot, you may cancel the absentee ballot by appearing in person before the registrar or absentee ballot clerk and making a written request to have the ballot marked “cancelled.” After satisfying themselves as to your identity, the registrars or absentee ballot clerk shall grant the request and notify the managers of your precinct to permit you to vote in person at that precinct.<sup>37</sup>
- Canceled absentee ballots are handled in the same manner as those returned too late to be cast.
- This procedure is the same for UOCAVA electors.

## **5.0 DISTRIBUTING APPLICATIONS FOR ABSENTEE BALLOTS**

<sup>37</sup> **O.C.G.A. § 21-2-388(2)**

Yes.<sup>40</sup>

There are no restrictions on who may take possession of and transmit or deliver an application for an absentee ballot, or how those applications are transmitted or delivered.

Some of the important points of which you need to be aware, if you distribute applications for absentee ballots include:

1. The voter must personally affix his or her signature to the application.<sup>41</sup>
2. Any individual, organization or group that distributes applications for absentee ballots and receives completed application forms back from voters must deliver the forms to the appropriate elections official immediately, to allow time to have the ballot mailed to the voter.
