# AUBURN POLICE DEPARTMENT 2021 ANNUAL REPORT

# Dedication

## Melanie Spiller

**We would like to dedicate the 2021 Auburn Police Department Annual Report to our friend, Melanie Spiller.**

Mrs. Spiller's genuine interest and generous support of our K-9 program has truly been a blessing to our department and community. Since 2017, Mrs. Spiller's financial contributions have allowed us to expand the capabilities of our K-9 Division to better serve our agency and the citizens of Auburn. Apart from her charitable assistance, Mrs. Spiller is truly a joy to talk to and never ceases to put a smile on the face of whomever she meets. Thank you, Mrs. Spiller for caring so deeply for our K-9 program and for being a part of our Auburn family.

# Spotlight on Auburn

Auburn was established in 1892 and got its name from the special red clay that was used to dye cloth Auburn red. We love our history and small-town atmosphere and work hard to maintain this feeling while growing our businesses. Auburn is uniquely seated in both Gwinnett and Barrow Counties and is easily accessible by Highways 316, 324, 211, and 29/8. Easy access to major travel arteries to both Atlanta and Athens makes Auburn the perfect place to live, work, and enjoy life.

Auburn has green spaces with a great mix of residential homes, town houses, apartments, and both commercial and industrial complexes.

Auburn's family-friendly atmosphere and sense of community are rare in today's impersonal world.

From our weekly Farmers Market and monthly movies in Whistlestop Park to our Independence Day and Sounding off the Christmas Season Celebration, there is something going on all year long that your family can enjoy.

# STATISTICS

# CALLS FOR *Service*

The Auburn Police Department responds daily to a wide variety of calls. Whether it is a crime involving acts of violence, traffic accidents, or one where an individual just needs an empathetic ear, Auburn officers will always answer the call.

As to be expected with an increase in population, calls for service have increased steadily over the past four years. Current staffing levels have been adequate to handle this increase, but with vast projected growth, manpower will undoubtedly have to keep pace.

Calls involving violent crimes remain relatively low but calls for service involving domestic disputes, vehicle accidents, and fraud have increased.

The City of Auburn has grown in population at a steady rate since 2019. Per the 2019 U.S. Census Bureau, Auburn had a population of 7,481 in 2019. In 2021, the population has grown to 7,704 which is a 3 percent increase. With the new residential developments within the city, the population numbers have climbed above 8000 residents.

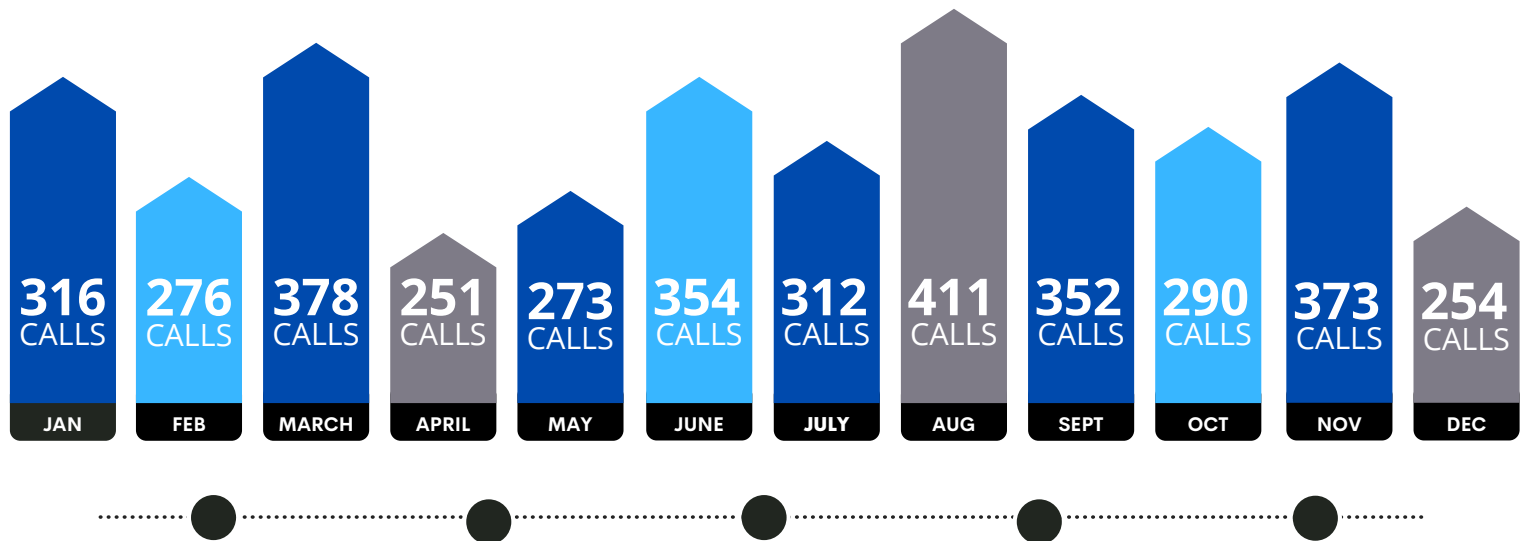

The fact that the volume of crime is related to the size of a jurisdiction's population has been well established. The relationship between crime type and population size, however, is less clear. Crime rate presents crime on a per capita basis, and is intended to adjust for population size so that accurate comparisons can be made.

Statistical data shows the calls for service have risen 18.3 percent between 2020 and 2021. With the increase in calls for service, the arrest rates have also risen. In 2020 the police department answered 3,263 calls for service. Within that year there were 297 arrests made. In 2021, the police department answered 3,860 calls for service with 306 arrests made. This is an increase of 2.98 percent in arrests.

Use of force is inevitable in police work. In many situations the lives of officers or civilians can be taken by not using force when necessary or using it improperly. Many factors come into play when an officer decides to use force. These include: is the use of force justified, has the officer been properly trained to use force, and will the department be held liable if the force that is used improper? The City of Auburn Police Department goes to great lengths to minimize the use of force while affecting arrests. In 2021, there were only 13 use of force incidents recorded out of 306 arrests.

# Enforcement

A major goal of the Auburn Police Department is to make the roads and highways of our community safe for all citizens and visitors. This is achieved through high visibility patrols and enforcing Georgia traffic laws, thereby reducing the number of crashes and the severity of injuries.

Making proactive and reactive stops of pedestrians and motor vehicles are functions of policing. Often these stops involve a preceding event such as a traffic violation. In other instances, stops can be more proactive, such as a Terry Stop. In some cases, the matter is resolved through communication (e.g. warning) in other cases a summons or citation or, more rarely a physical arrest may be made.

## BY RACE AND GENDER

The problem of racial profiling is complex and multifaceted. Dedicated police officers and professional police practices have contributed to making our communities safer. The majority of police officers are hard-working public servants who perform a dangerous job with dedication and honor; however, the perception that some police officers are engaging in racial profiling has created resentment and distrust of the police, particularly in communities of color. These communities applaud the benefits of community policing in reducing crime, but they also believe that truly effective policing will only be achieved when police both protect their neighborhoods from crime and respect the civil liberties of all residents. When law enforcement practices are perceived to be biased, unfair, or disrespectful, communities of color are less willing to trust and confide in police officers, report crimes, participate in problem-solving activities, be witnesses at trials, or serve on juries.

# Enforcement

Officer  
Angie Thompson

The Mission of the Code Enforcement Unit is to promote compliance of the citizens, to city ordinances that are for maintaining a safe and healthy environment for the community at large. Code Enforcement works to improve the quality of our community by administering a fair and unbiased enforcement program that proactively identifies and works with the citizens to correct violations of municipal codes and land use requirements of private property within the city. Code Enforcement Division strives to maintain a status of a proactive division rather than one of reaction. We work with the community to come to reasonable solutions for issues ranging from minor to major in complexity. We encourage the community to work together to assist one another and achieve the mission set forth before us. Most issues we encounter are a “simple fix” with the homeowner/tenant and code enforcement officers working together. Whatever the solution may be, the outcome should always be to make our community a safe and enjoyable place to live and raise a family.

# COMMUNITY OUTREACH

One of the most important activities officers participate in is working with our community to promote safety awareness. The department recognizes that only through a close working relationship with the citizens of Auburn and barrow county, we can build a safe community for our citizens and businesses.

The department continues to build upon and provide a number of programs, classes and services which have proven to be successful and sought after such as our popular citizen's police academy, women's gun safety, women's self defense classes, and security training for buisnesses and churches.

# Women's Gun Safety

THE PURPOSE OF THIS COURSE IS TO TEACH BASIC FIREARMS HANDLING AND SAFETY, AS WELL AS THE FUNDAMENTALS OF SHOOTING. THESE FUNDAMENTALS BUILD THE FOUNDATION FOR ALL OTHER LEVELS OF SHOOTING. WITH OVER 200 WOMEN THAT HAVE TAKEN THIS COURSE, IT HAS PROVEN TO BE A VERY SUCCESSFUL CLASS OFFERED BY THE AUBURN POLICE DEPARTMENT

“  
What a great class!  
I have gained knowledge  
and confidence!  
**Teresa Beltran**”

This is a two day course that is held at the Auburn Police Department. The first class consists of learning Georgia firearm laws and different shooting techniques utilizing our state of the art shooting simulator. The second class which is the following morning, is at our gun range located in Auburn. Here you will get the opportunity to shoot your own weapon with the assistance of certified police officers. We also give you the opportunity to shoot shotguns, Ar-15 rifles, suppressed weapons and more.

“  
Loved it! Very  
informative and  
loads of fun!  
**Cat Matt Golds**”

# Citizen's Police Academy

In 2012, the idea of bridging the gap between the community and law enforcement became a reality. In the Citizen's Police Academy (CPA), we show citizen's of the community what it is like to live a day in the life of a law enforcement officer. Not only do citizen's learn what law enforcement officers deal with, but they also learn how to be better prepared for day to day situation. Several participants of past CPA classes have gone further in their education to become members of the law enforcement community.

Citizen's who participate in CPA often become members of the CPA Alumni Association after they graduate. The CPA Alumni serves the community by assisting in critical areas at local events, donating monetary resources to the police department when possible and the alumni always enjoy coming back to assist with future CPA classes. The CPA Alumni has played a vital role here at the Auburn Police Department and we thank them for their service.

# *Drone Class*

## **Berean Homeschool Co-op**

The Berean Homeschool Co-op is a 501(c)3 organization serving the Greater Atlanta area. Our families work together using a co-operative approach to offer a wide variety of academic and enrichment classes during the school year to our homeschooled children. We have been in operation since 2004. In addition to our co-op classes, we plan field trips and special events throughout the year.

The Auburn Police Department along with members from the Barrow County Fire Department got an opportunity to discuss and demonstrate the use of drones in the emergency services profession. We had an awesome time teaching the kids about drones and of course letting them see one in action!

# Women's Self Defense

This class was formed to give local women, of all ages and skill levels, a safe and effective way to learn to keep themselves safe. In this class, participants are given real life scenarios and the skills to help them survive a dangerous encounter on their own. This is a two day hands on class taught by the Auburn Police Department and Twin Tigers Ju jitsu. As of 2021, over 185 women have signed up and taken the class. We hope to continue to offer the class and serve the community.

# Church Security Training

Church security is increasing at houses of worship worldwide due to threats such as active shooter attacks and acts of terrorism. To mitigate these threats, there should be a church safety plan in place and security training for staff and volunteers to help reduce the risk of an attack.

Furthermore, implementing protection measures for churches such as a security team, armed security, and security procedures are all vital components that should be considered by church leaders. It does not require the same security measures as Fort Knox, but having adequate physical protection is essential to protecting houses of worship. Church Safety and Security need security experts that can help stakeholders formulate the best security plan.

The Auburn Police Department had the privilege of assisting the security team volunteers at Restoration Church train in order to mitigate potential threats.

# Explorers Program

The Explorers is a youth program affiliated with the Boy Scouts of America. In this program, youth seek to gain knowledge about a particular profession, in this case law enforcement. The program allows the youth exposure to the profession through classes and practical applications, such as law enforcement scenarios and competitions. The photos that are on this page are from Winterfest in Gatlinburg Tennessee. This is the site of the major competition that is held every year. The Explorers get to show off the skills they have learned throughout the year at the competition against numerous different agencies.

The photo in the upper right is the food drive we assisted with in Winder, GA. We unloaded trucks with food and then gave out the boxes to individuals that needed assistance.

# Shop with a Hero

Shop with a hero is a yearly event that Barrow County Sheriffs Office, Auburn Police, Winder Police, Statham Police, GBI, GSP, and Barrow Fire and EMS participated in. Each officer gets paired up with a child from the community and we get to take them shopping for Christmas. This year each child received \$250.00 to shop with. This years event was amazing! The program served 57 kids and this was the biggest event since the program has started. This program used to be called shop with a cop, but this year it was decided to expand and include all of our local heroes, hence the name Shop With A Hero. We had so much fun and we are excited for next year

This year we participated in the Fairfield Baptist Church trunk or treat. We had an awesome time giving out candy and getting a chance to interact with all the little ghouls and goblins.
